

Camp Read S'More

Summer is coming and with it lots of time for recreational reading. **Camp Read-S'More**, our summer reading program, is designed to encourage a love of reading and to keep students reading over the

summer. We collected favorite titles and compiled them in a **Camp Read-S'More** list (available for downloading from the school website). Students who participate record book titles and the number of pages they have read on a reading log (see back). Completed logs are given to the classroom teacher or the librarian during the first week of school.

Camp Read-S'More qualifying participants will be invited to a special party at the beginning of the school year.

Grade Completed	# of Pages to read
Kindergarten	150
First	300
Second	500
Third	700
Fourth	900
Fifth	1100

To participate in **Camp Read-S'More**, use the reading log on the back of this flyer. If you need additional log pages please copy or print from the school website. The librarian has compiled a list of recommended books.

The list can be downloaded from the school website.
