A Look Into 5th Grade

In fifth grade this year

I have been doing art.

Art is my favorite subject

because you can express yourself.

Some of my favorite

art projects were the

one for CSI and the

one with Math shapes.

I have always liked art.

I hope I can do

a lot of it

next year

in sixth grade.

By Allison who was chosen
to be student of the week by her
classmates for showing the following

Fruit of the Spirit:

Patience and Joy

Great Job Allison!!!

WALK-A-THON - Tomorrow !!

End of Year Activities

On Monday June 7th the 5th grade will be heading over to San Francisco to the home of the S. F. Giants.

We will be taking a tour of the AT & T Ballpark. We will get to go out on the field (warning track only) into the dugout and locker room. We will end the tour at the *Coca-Cola* fan lot playground. Afterwards, there will be a picnic lunch and a whiffle ball game at the Barry Bonds Jr. Field.

Please get your permission slips in ASAP.

On Tuesday June 8th we will be heading over to *Mc Covey's Restaurant* in Walnut Creek. We will be taking a tour and having a snack. The restaurant will be closed to everyone else but us. This trip is only until noon.

Thursday June 10th we will be having pajama and movie day, along with our final auction. Students are allowed to bring in snacks, drinks, and treats to share.
