CONTRA COSTA CHRISTIAN HIGH SCHOOL
INTERSESSION COURSE SELECTIONS

Interession occurs between the first and second semesters, **January 24 through January 28**, and lasts for one week. Interession provides students with the opportunity to learn about topics and develop skills outside the usual course offerings. It provides teachers with the opportunity to share gifts, abilities, and interests outside their usual teaching responsibilities. Interession can be an enriching and inspiring experience for both students and teachers.

After reading the course selections on the attached page and discussing the options with your parent(s), indicate your top three choices by writing the course titles in the blank spaces below. Bring the completed, signed form to the instructor of your first-choice class according to the following schedule:

- Seniors – Tuesday, November 16
- Juniors – Wednesday, November 17
- Sophomores – Thursday, November 18
- Freshman – Friday, November 19

Have the teacher sign below next to the course title to indicate you have been accepted, and then turn in this sheet to Mr. Padmos. If your first choice course is already full, bring it to the instructor of your second choice class, and repeat the process. If you are accepted into your first choice, please do not get signatures from additional teachers.

Note: *Further information on course content and activities will be available from the course instructor and the school Web site. Costs are involved for most courses.*
