

Boys Basketball Perseveres Through a Tough Season

The 2009-10 season was a tough one for Cougars Boys Basketball. The team was undermanned with just 8 players and faced a difficult schedule of tough opponents and finished with a 2-10 record. Despite the adversity, the team never quit and showed great improvement throughout the season.

The team returned no starters to begin the season and in fact had only 3 returning players total. The Cougars lost their first 4 games to open the season before producing a dramatic win in their 5th game when they overcame a 10 point deficit in the final 90 seconds of the game in a thrilling 30-28 victory over Kings Valley.

New 6th grader Keaton Van Soelen was named MVP after leading the team in nearly every offensive category. He scored 12 point per game on the season for a team that averaged only 22 points per game total. Center Liam Cody was named the "Round Mound of Rebound" for his aggressive physical defense. Cody led the team in rebounding and averaged 4 points per game. Geoffrey Farmer was named the team's most improved player and finished the season second on the team in scoring. Point guard Ryan Cohn provided the team's leadership demonstrating great heart in his aggressive defense. Cohn led the team in steals, assists and floor burns.

Despite a tough year, the Cougars showed great heart and represented their school well. Well done boys!!
