

Lady Cougars Run Past Competition

The Lady Cougars Cross Country team had an outstanding showing in 2010 finishing 3rd out of 10 schools at the BACSAL Cross Country Championships. In an elite 40 runner field, Cougars Deana VanderMeulen (8th), Julianne Bhak (15th) and Kristin Brown (18th) all finished among the top 20 runners and brought home the school's first Middle School Cross Country award. Great work ladies!!
