### **INFORMATION ABOUT CONTRA COSTA CHRISTIAN SCHOOLS**

Because we believe that all children are created in the image of God, and are placed on earth to love and serve God and their neighbors, we do not discriminate on the basis of race, color, or national origin.

Our educational program deals with each student's intellectual, cultural, physical, artistic and spiritual needs. We train young people from Christian homes for a life of service to God in His world, in His church, and in the community. We equip child(ren) with a Biblical world and life view by developing their ability to discern, know, understand, and deal with their own intelligence, feelings, and attitudes. We offer a complete program from pre-school through grade 12 so that the students will grow "in wisdom, in stature, and in favor with God and man" (Luke 2:52) with Christ as their example.

**CONTRA COSTA CHRISTIAN SCHOOLS STATEMENT OF FAITH**

We believe that the Bible is the inspired and infallible Word of God and that it is the ultimate source of authority in all matters of faith and personal conduct.

We believe that there is only one God, who is eternal and omnipotent, existing in three persons, namely, the Father, the Son and the Holy Spirit.

We believe that our Lord Jesus Christ was begotten by the Holy Spirit and was born of the Virgin Mary, and is true God and true man.

We believe that our Lord Jesus Christ led a sinless life, performed all the miracles attributed to Him, and that He died on the cross for man's sins, according to the Scriptures, and that all who believe in Him have the forgiveness of sins through His blood.

We believe that Jesus Christ rose from the dead and ascended into Heaven where He now sits at the right hand of God the Father, and that He will return in power and glory to judge both the living and the dead.

We believe that man was created in the image of God but that he sinned and was separated from his Creator, which is spiritual death.

We believe that one who receives Jesus Christ by faith is born again by the Holy Spirit and thereby becomes reconciled to God.

We believe that one who has committed himself to Christ is indwelt by the Holy Spirit who is his constant guide and teacher in living a Godly, victorious, and consecrated life.

We believe in "that blessed hope", the personal and imminent return of our Lord and Savior Jesus Christ.

We believe in eternal punishment for unbelievers and in eternal life with Christ for believers.

**STATEMENT OF AGREEMENT**

Believing that the Christian home and school should work in harmony, we ask you to be in agreement with the school's statement of philosophy:

"Our philosophy is based on the conviction that knowledge of the bible and a personal relationship with Jesus Christ are essential to the full spiritual, academic and social development of the individual. The total process of education at Contra Costa Christian Schools seeks to establish the student in his position in Christ by developing and relating the whole person to God in all facets of life.

Our philosophy recognizes a covenantal relationship, which God has established with believers and their children. In view of this relationship, Contra Costa Christian Schools affirm that Christian education is primarily the parents' responsibility. Our schools function as extensions of the home to assist the parents in educating their God-given children and to promote the proper relationship between family, church and the educational process."

The following are expectations that the school has of its families. CCCS expects its families to:

- Have an active church life
- Work together with the school to provide Christian nurturing, to work with the school in maintaining Christian standards, policies, and procedures, to support decisions made by the school as it relates to your child(ren)
- Actively support the school in prayer and be involved in school affairs and functions
- To faithfully meet financial obligations

.....

By signing this application I (we) pledge to follow the expectations contained in the Statement of Agreement above that the school has for its families, and I agree to support the school board, administration, and faculty in implementing this philosophy of education.
